

BeAware
THE DEAF ASSISTANT

PREMIUM ACCOUNT SETUP

3 Step Instruction:

1

Download the app

Open Safari on the host/speaker iPhone you would like to use, visit conferencecaptioning.com/app and download the app

2

Activate Premium Account

Open the app and Tap on the image on the first screen 10 times. In the popup, input the case-sensitive Stream Name provided by us, & press OK

3

Start Streaming!

Go to Settings > Display & Brightness > Auto-Lock -> Never. Start streaming using the stream name and share the streaming url provided with attendees
